Attachments: Method Statement St Peters Church 2023.docx; St Peters Church updated .docx

Dear Mel,

I hope all is well and thank you for your patience regarding the method statement. Please find attached my method statement and updated quote after a second site visit. The only change is that the single gate is in a state of disrepair and requires a full rebuild.

I would like to take this opportunity to once again advise you that it really is worth having the roof re tiled properly. Many of the boards are getting wet underneath the tiles causing the wood to rot. The sooner the roof is re tiled the better and whilst the scaffolding is in place it seems like a good time to carry the work out. The cost of this would be approximately £4,500.00 plus vat. Completed with clay tiles.

Kind regards

Russell Blackaller
