Page 3, Q8. Do you have any other comments or ideas about how the town can be improved?

1	essential to maintain current level of employment opportunities Slight increase in population good to sustain current facilities/services and keep balance between locals and incomers	Jun 12, 2014 9:35 PM
2	underground carpark	Jun 12, 2014 9:02 PM
3	Betting youth club facilities at weekends and during school holidays, these are the times when youngsters get bored and cause mischief. As sports and social club. The clubhouse could have a family disco on a Friday and music on a Saturday. This would benefit anyone especially those with children and encourage young people to want to stay in North town and instead of moving farther afield. If a new doctor's surgery is being built it could incorporate a small emergency room. If no one is in need of urgent emergency every second counts before an ambulance can go there. An emergency room would stabilise a person whilst waiting to be transferred to hospital	Jun 12, 2014 3:13 PM

17	More parking	Jun 7, 2014 3:19 PM
18	Parking. There is a lack of off street parking in the town. Serious consideration needs to be given to infrastructure to address this in any town plan. eg. provision of enough offstreet parking to prevent indiscriminant onstreet parking. Give up the field in front of Strawberry Fields for offstreet parking!!	Jun 7, 2014 2:32 PM
19	The dog fouling in North Tawton is terrible. This really needs addressing	Jun 7, 2014 2:13 PM
20	Develop the old Mill site	Jun 6, 2014 8:30 AM
21	Further parking facilities More shops	Jun 6, 2014 8:17 AM
22	* Bring back dog warden *Increased litter picking or more effective litter picking.Link to litter causing businesses eg takeaways Too many cars parked on pavements.Need fines to prevent this happening	Jun 4, 2014 2:59 PM
23	Enforce parking regulations in town centre to facilitate movement of traffic	Jun 4, 2014 12:34 PM
24	Dog fouling is a real problem within the town Moor enforcement needed. More leisure facilities or whether Jim would be nice	Jun 4, 2014 12:08 PM
25	I feel that landlords who rent properties do not maintain their exteriors of their properties many are indeed in need of painting and gardens tidy they do not monitor their deterrents to insure tenancy agreements are dear to many rented properties have dirty windows and horrid curtains overlooking the high Street which gives a bad impression to passers-by	Jun 4, 2014 11:57 AM
26	In principle at good idea to advertise for a street pavement cleaner, however, to expect that person to ensure that they have the right equipment and remove litter sweepingly all of which cannot go into re-cycling refuge back feels very impossible the town is a real mess perhaps North taught council could look at it and increase the finance	Jun 4, 2014 11:18 AM

117	community events local produce market traffic wardens at peak times	Feb 28, 2014 9:36 PM
118	* More cultural/community events * LOCAL PRODUCE MARKET - I am sure I read something issued by the town council about the importance of staying connected to our roots as a market town, but we don't seem to have any inclination to revive this, which is such a contradiction! The retail offering needs to be revived and contrary to what some have stated in the past, a market will IMPROVE this NOT threaten it! I am not sure that our retail offering has a future without such events.. * Better networking and more support for local enterprise/business. * More police presence, not because of any immediate threat, but because this is our right and somehow a visible police presence brings the community together in tang a pride in the community environment.	Feb 28, 2014 5:22 PM
119	No.	Feb 28, 2014 1:34 PM
120	Many of the properties and commercial establishments in the main thoroughfare (High Street/Fore Street) are a bit dilapidated and not well maintained. Not everyone can afford to maintain their properties but encouragement to do so would help as would common branding/fascia design of shop fronts in the square.	Feb 27, 2014 8:40 PM
121	Long term reroute heavy vehicle traffic out of the town - (noise,air, pollution and safety comments above) The town urgently needs a new medical practice facility.	Feb 27, 2014 3:20 PM
122	More parking for people from outside the town TO SHOP etc.	Feb 24, 2014 11:53 AM

1	I moved here due to its rural settings after leaving the city's east London 500 I do not wish to be surrounded by properties destroying the open green areas which I always dreamt of living around	Jun 13, 2014 9:34 AM
2	good mix currently. need to ensure locals can live and work here and it doesn' t become dormitory town;	Jun 12, 2014 9:39 PM
3	Having only been here 1 year I feel unable to comment but feel a lot of newbuild would put a strain on current services	Jun 12, 2014 9:29 PM
4	congested enough ; don't need more housing	Jun 12, 2014 9:04 PM
5	To help, and keep, the younger generation of North tour and here should be counsel accommodation built and they should be offered to people of North Tawton and first at a fair rent jobs are low paid therefore rents should reflect this	Jun 12, 2014 3:17 PM
6	There seems to be a fairly healthy supply of housing. There is availability for first-time buyers will probably not for those on lower incomes. Family housing is properly in great demand	Jun 12, 2014 3:03 PM
7	With many couples not being able to buy a house until their 30s there is a need for three-bedroom affordable low-cost homes for these families	Jun 12, 2014 2:30 PM

28	Starter homes/low cost for North Tawton people only	May 31, 2014 11:04 AM
29	Development will happen regardless. At least if open to development, North Tawton will have a say	May 30, 2014 5:57 PM
30	We need a few more bungalows	May 30, 2014 11:39 AM
31	My concern about adding additional housing to the parish is that infrastructure schooling parking etc would it be able to cope	May 30, 2014 11:20 AM
32	There are already too many people and too many houses in North Tawton no more should be built!	May 30, 2014 10:50 AM
33	a mix of property's	May 29, 2014 8:48 PM
34	when we were looking at property hear almost 2 years ago we heard that the old mill was to be developed which we thought was a fantastic use of a brown filed site. we found it hard to find a good value starter home with its own privet parking	May 29, 2014 12:02 PM
35	we need accommodation for elderly and inform pepole and a nursing home the nearest is hatherlegly	May 28, 2014 8:39 PM
36	Not enough information to complete the above	May 28, 2014 6:26 PM
37	It would be nice to see some sort of development at the woollen mill rather than leave it to stagnate	May 28, 2014 6:14 PM
38	I don't think the town should have too many more new housing area as it will no longer be the small town/community that we are fortunate to live in	May 28, 2014 1:00 PM
39	there is a reasonable mix of houses allready	May 27, 2014 11:41 AM
40	not large development . as well as homes for the eldly fork	May 27, 2014 10:47 AM

41	Rented homes from housing groups-Private landlords don't always keep up with repairs or tidiness of outside area	May 27, 2014 7:45 AM
42	The low cost and family housing is being accommodated in the new development at Batheway. There has to be appropriate employment opportunities to match existing and proposed housing developments otherwise N.T. becomes a dormitory/commuter town.Suggest development of old Mill for residential/craft workshops	May 27, 2014 7:18 AM
43	Much of it is crammed in too tight	May 23, 2014 7:11 PM
44	I moved here because it had a a close friendly environment where I felt it safe for my children. More houses would lose this	May 23, 2014 11:16 AM
45	We are in a 2 bed affordable house,not really a child friendly garden- has steps	May 21, 2014 6:57 PM
46	Cant comment through lack of knowledge	May 21, 2014 8:17 AM
47	there is a lot of council housing here there could be moor starter homes for families	May 20, 2014 11:33 AM
48	to support more housing we need more employment	May 20, 2014 10:56 AM
49	this town needs no further population increase services are just adequate now	May 20, 2014 10:35 AM
50	I'm not really aware of housing needs.I would not like more latge scale development without real consideration of community need and environmental facilities ie green spaces/play space/parking	May 19, 2014 4:07 PM
51	We would like to think that the facilities in the town would grow with housing numbers providing a level of service that matched the increasing population	May 19, 2014 8:22 AM
52	Affordable homes/renting for young people who are working	May 19, 2014 8:06 AM
53	Efforts should be made to make sure properties are not vacant long-term	May 18, 2014 9:14 AM
54	Acceptable/good mix of different types of housing	May 17, 2014 10:17 PM
55	The town is fit to burst. There are not the services of local amenities to arrant the acellarated growth of the town.	May 16, 2014 1:18 PM
56	current mix presumably reflects the market. Future needs should be reflected by the market	May 16, 2014 12:38 PM
57	no more housing until rad access is solved	May 16, 2014 12:09 PM
58	only one place left to build primeter only towards de-bath cross	May 16, 2014 11:40 AM
59	strawberry fields too many bathe-way too many need smaller estates	May 16, 2014 10:48 AM
60	An increase of 1% per annum (compounded) on 807 dwellings over 20 years would mean almost 1000 without Batheway!	May 15, 2014 7:10 PM
61	Housing in N.T. is very expensive for 1st time buyers(like myself) to get onto property ladder.It is hard for people born in,and wishing to stay in N.T.to buy when elsewhere is more affordable	May 15, 2014 9:29 AM

Page 4, Q10. Please feel to write additional comments below about current housing in the parish.

62	require responsible development not cheap starter homes crammed in creating instant slums	May 14, 2014 11:03 PM
63	Strawberryfields took a long time to sell; Shiptons is still for sale; we are embarking on Batheway. We should be developing old mill site for all above and flats for young to add vibrancy and affordability	May 14, 2014 10:28 PM
64	better to put development on brownfield sites and infill not green sites or farmland	May 14, 2014 10:07 PM
65	I have no problem with increased housing development but services need to improve with increased capacity - more spaces at school, facilities for young children, car parking etc.	May 14, 2014 4:35 PM
66	An influx of young families and wealthy home owners will boost the town economy	May 14, 2014 8:08 AM
67	Old wool mill ideal for development. Due to cost because of grade 2 listing, better for luxury market for bigger return.	May 13, 2014 1:05 PM
68	Better quality housing. Bigger gardens for families	May 13, 2014 12:46 PM
69	new housing should obey previous planning legislation	May 13, 2014 12:25 PM
70	I don't have local knowledge to answer this. Every newbuild or development adds to strain on infrastructure., which should be improved before not after new housing. Road capacity already very tight.	May 13, 2014 11:58 AM
71	becarfull on to much social housing, want a good mix last year N T school had the most free school meals in devon [% to attendence]	May 13, 2014 11:55 AM
72	old housing should be developed first befor any new development eg wool mill	May 13, 2014 11:01 AM
73	Any additional houses should be built in the existing planning boundary (fill in the gaps) and not allowed to sprawl out towards de Bathe Cross	May 12, 2014 8:49 PM
74	should not be build on good grade 2 red land, we will need this for growing food	May 12, 2014 8:39 PM
75	By affordable I do not mean rental proparties locals can purchase without too much financial defficulty	May 12, 2014 8:04 PM
76	To build more would destroy the magic of North Tawton and its history	May 12, 2014 7:03 PM
77	homes for the elderly need	May 8, 2014 11:07 AM
78	I'm afraid that if we have any more low cost housing it would appeal to bring in undisirables, afterall slums are not built they are made.	Apr 22, 2014 11:46 AM
79	No 4 or 5 bedroom houses for rent	Apr 22, 2014 11:19 AM
80	The population will grow, we need more housing but a balance needed to keep idenity of the town.	Apr 22, 2014 10:58 AM
81	I cannot see the justification for any large increase in housingThis could threaten the community spirit and rural character of the town irreparably.	Apr 21, 2014 6:48 PM

Page 4, Q10. Please feel to write additional comments below about current housing in the parish.

82	3 and 4 bed social housing needed. Parking must be taken into consideration when allowing housing.g. very difficult to drive through Strawberry Fields due to cars parked on both sides of the road.	Apr 17, 2014 8:54 AM
83	Whatever building is done needs to be in keeping with buildings already in place and needs to be proportionate i.e. a further 60 houses would increase the housing population by 10%.Large extra development sites should be avoided where they change the character of the town.	Apr 17, 2014 7:42 AM
84	NO THREE STOREY HOUSING	Mar 18, 2014 1:12 PM
85	There isn't much opportunity for young people who have lived here all their lives, to get affordable housing.	Mar 12, 2014 8:32 PM
86	We just need more of it and greater variety. More people would be great for the town.	Mar 3, 2014 5:19 PM
87	We need a good mixture of all of the above. There should be no large scale housing developments as the town Square does not have the scope to deal with the traffic/parking. Small scale developments dotted around the Parish with parking attached would be more sensible. There should not be too much social housing for unemployed people as there is nothing in the town for them to do to occupy themselves & this will end up causing problems.	Mar 1, 2014 1:37 AM
88	Seems to have a good balance between homes suitable for retirement and for families and single people. I wondered if the old mill building wouldn't be suitable for development rather than putting all the development at one end of the town.	Feb 27, 2014 8:56 PM
89	We do not need any further housing in the town. Any more development and the good facilities the town already has will not be able to cope. Further development would mean having to re-develop/expand other areas of the town to cater for the influx of people, which would completely destroy the small, rural town that North Tawton is at present.	Feb 22, 2014 4:56 PM

120	If 61 new dwellings have already been approved then this should be ample development for a quiet rural town such at North Tawton. Urban sprawl should be avoided in order to prevent an erosion of the rural charm of the town. An example of development which is unnecessary is Okehampton - it is a blight on the landscape and a waste of prime farmland.	May 13, 2014 10:00 AM

146	I am concerned that the social infrastructure would not support even the size of development already approved. There are not too many shops or pubs and no real restaurants, and no sports centre. If the town expands any more, it will create dormitory areas without providing proper facilities for such a large number of people. The result of this would be a diminution in community life and a potential increase in anti-social behaviour. There are villages around here which are already displaying that tendency. Large numbers of people have been attracted by the availability of new housing but simply use the areas as commuter bases and don't input into the community. The contrast with the villages where the size of the village is in proportion to the available infrastructure is marked. Community life is thriving.	Feb 27, 2014 8:56 PM

Page 4, Q15. Do you think that all new housing developments should incorporate the latest environmentally friendly technologies to reduce their carbon footprint and running costs even if that raises slightly the price of the houses?

1	newbuild to use eco-friendly technology	Jun 12, 2014 9:39 PM
2	all newbuild should have solar power, recycled rainwater,adequate refuse and recycling facilities	Jun 12, 2014 9:15 PM
3	Given the need for affordable housing the cost of environmental friendly should be met by the individual on a case-by-case basis to improve a blanket division of unproven and untried technologies will be wrong	Jun 12, 2014 3:38 PM
4	This will happen anyway with in the scope of the building regulations the planners process needs to appreciate the requirements of homeowners as they may affect the way house is look community congestion schemes already need to be completed in the future	Jun 12, 2014 3:03 PM
5	Not windmills	Jun 12, 2014 2:01 PM
6	every new building destroys character of N.T. and adds to parking problems	Jun 10, 2014 2:24 PM
7	All new houses should have rain water collection tanks for flushing toilets etc	Jun 9, 2014 7:18 PM
8	All new houses should have solar panels	Jun 7, 2014 3:23 PM
9	Triple glazed, Well insulated, solar capture, rainwater harvest, energy neutral, solar panels in roof tiles, ground source pumps	Jun 7, 2014 2:37 PM
10	Housing needs to accomodate cars parked. ERspecially conversions of older buildings - most provide parking that is "on street". The school needs to become outstanding to accomodate the new housing and the doctors surgery needs to become more accessible	Jun 7, 2014 2:17 PM
11	Homes need to be well built but not so expensive by including all green measures	Jun 4, 2014 3:04 PM
12	Development should be limited to properties that evaluate the general character of N.T	Jun 4, 2014 12:23 PM
13	See notes-All new houses and buildings should be compelled to include solar panels and water saving devices in order to qualify for building permission	Jun 4, 2014 7:41 AM
14	There should be more for five bedroom houses Association homes to comply with recent changes in the housing rules for overcrowding more affordable homes to stop people being exploited by bad landlords and stop the construction of buildings which led to believe agriculture you are clearly not	Jun 2, 2014 12:16 PM
15	Any impact we can make in the UK to reduce climate change(still unproven) is negligible taken on a world basis(look at the globe!!)	Jun 2, 2014 8:07 AM
16	People need houses they can afford.All the technologies,carbon footprints etc increase the price of housing without actually doing anything for the dubious climate change because other countries carry on as normal	Jun 2, 2014 7:48 AM
17	Any environmentally friendly technologies that are unseen would get a 100% vote providing that their installation would benefit the householder without increasing the energy bills of others	Jun 1, 2014 9:58 AM

33	In favour of eco friendly houses but should save money in the long run and better for environment	May 21, 2014 6:57 PM
34	Absolutely the best practice must be demanded	May 19, 2014 4:07 PM
35	Any new development needs to consider adequate parking and access in and out of the town	May 18, 2014 9:14 AM
36	Developers should consider the environmental impact of new developments and incorporate sustainable/renewable source of energy,e.g. solar energy in ALL future developments.This should be made law and be a restriction of future developments	May 17, 2014 10:17 PM
37	Incorporate feasible options but not at a cost so high to push houses out of reach of local people	May 17, 2014 9:49 PM
38	The benchmark is Planning/building regs and NHBC technical standards; these are cost neutral(ie mandatory)Any higher standardswould be	May 16, 2014 12:38 PM

107	Parking in town is a real issue especially Exeter Street. We are lucky to have our own parking but it is regularly blocked by people visiting the Pub. People ignore double yellow lines and traffic wardens don't come round at night	May 15, 2014 9:35 AM
108	Everyone speeds along road between Arla and the Bridge	May 15, 2014 9:01 AM
109	need traffic calming approaching Strawberry fields roundabout as cars come too fast from de Bathe cross and view to oncoming traffic not easy	May 15, 2014 7:48 AM

115	More regular bus service HGV not in/ through the town (Fore Street in particular)	May 14, 2014 4:42 PM
116	Parking; a lot of lazy people park on double yellow lines outside shops when there is a space in walking distance. This has a negative effect on moving traffic. Potholes on main throughroads need fixing	May 14, 2014 8:34 AM
117	Many cars drive recklessly. Although HGVs are an essential part of this economy, we need the transport infrastructure to accommodate them	May 14, 2014 8:12 AM
118	Traffic calming throughout, especially Essington	May 14, 2014 8:11 AM
119	vehicles parking in Barton St. on double yellow lines and half on pavement every night and some daytimes!	May 13, 2014 1:07 PM

134	Town car park is used by residents rather than visitors.	Apr 22, 2014 11:01 AM
135	More residents parking needed Some footpaths are very narrow	Apr 17, 2014 10:32 AM
136	Hourly bus service to Exeter is good. Service to Okehampton needs to be hourly and last bus back from Okehampton needs to be later to allow people to get home from work.	Apr 17, 2014 8:59 AM
137	Road maintenance is a problem with there being a long delay between potholes being reported and repairs taking place.	Apr 17, 2014 7:46 AM
138	Stricter speed limit from the top of High Street to The Square, especially for buses that travel too fast	Mar 18, 2014 2:37 PM
139	Hump on High Street - some vehicles reach 50 mph going up the hill	Mar 18, 2014 1:15 PM
140	Parking in Exeter Street is extremely limited	Mar 18, 2014 12:46 PM
141	Just tidy up of current rootpaths, i.e. tidy up of footpath from De Bathe Cross to the mini roundabout as this looks messy	Mar 18, 2014 12:31 PM
142	Parking outside Spar and Post Office causes traffic jams. Road into NT is poor, needs re-surfacing and better drainage.	Mar 16, 2014 8:44 PM
143	More parking space and HGVs prohibited through town centre.	Mar 16, 2014 8:08 PM
144	We use the churchyard path twice everyday, often with a pushchair. It badly needs relaying.	Mar 3, 2014 5:24 PM
145	Pavement on right hand side of Exeter Street as you go up the hill.	Mar 2, 2014 12:14 PM
146	There needs to be a bus service to Exeter on Sundays so that people can get to and from work if necessary. The times of the buses are not at suitable times for workers, the time table needs to be looked at. People need time to perhaps catch another bus to Marsh Barton or elsewhere out of the town centre. Most of these businesses open at 8.00am and close at 8.00pm but there is no transport available. Parking around the Square should be for short periods only so that people can stop, pop into the shop & then leave - not park there permanently or go off on the bus for the day. Traffic speeds & drink drivers are regular occurrences - no-one bats an eyelid at people spending the day in the pub and then driving off afterwards - why is nothing done about this?	Mar 1, 2014 1:53 AM
147	people think that it is ok to park any where including double yellow lines when they want to go to the shop or chippy. so more policing or more	Feb 28, 2014 9:53 PM

parking		
148	* Parking in The Square and on adjoining roads is appalling. Drivers are constantly parking illegally which is not only inconvenient, but also very dangerous (accident between TWO illegally parked vehicles, one in bus stop and one on double yellow lines, just a couple of weeks ago). It is getting worse and there seems to be no care or control over it! * I think we desperately need a comprehensive local footpath map.	Feb 28, 2014 8:31 PM
149	This past winter has had a significant detrimental impact on all the roads in the North Tawton area.	Feb 28, 2014 1:47 PM
150	An additional bus running to and particularly from Exeter later at night would significantly enhance the attraction of living here. It would be possible to go to Exeter for the evening without a car and be able to get home after the theatre, cinema or other social occasion. A re-opening of the train line would be wonderful. In terms of traffic calming I would support the introduction of 'sleeping policeman' or chicanes in High Street where cars speed up and down at speeds which would be life-threatening to pedestrians and children darting out between parked cars. An automatic 'slow your speed' sign at the entrance to the town would be helpful. Clearly there is insufficient parking for residents and quality of life would be enhanced if convenient (not necessarily in front of your own door) parking spaces were available for residents, again particularly in High Street where it is a great problem.	Feb 27, 2014 9:09 PM
151	As note earlier in my responses the HGV type traffic is totally at variance with the nature of the town and poses a significant safety risk.	Feb 27, 2014 3:35 PM
152	A bus service on Sundays (to/from Exeter) would be very useful. More space for parking in the town square and for the High Street. The road to Bathe Cross often has potholes. Cycle paths would be good but perhaps not obvious how to incorporate them. A relief road for lorries to Gregorys would be great, avoiding the bridge.	Feb 23, 2014 11:06 PM
153	More bus connections to Exeter and Okehampton. Cycle lines to lighten the car traffic. More parking space in general. Local taxi service.	Feb 15, 2014 3:57 PM

108	By Copper Key Pub	Feb 28, 2014 1:27 PM
109	Could the picnic tables at the entrance to the park be relocated further into the park and a little bit of extra parking space created from the parkland. (This could be only type of development permitted). Could spaces be allocated on the basis of paid-for resident's permits? Or could space be made available where the new development is to be - unallocated general parking? I think it would be unfair to residents in Strawberry Fields and Moor View if residents of High Street parked there but I believe this has started to happen. Could chevron (Dutch) style parking - bonnet-to-pavement be explored as a possible way of allowing more cars to park. Width of remaining road would need to be checked of course to allow other cars and fire engines to pass by.	Feb 27, 2014 9:09 PM

79	Again, illegal parking on The Square, especially on Friday night when people come in to the town for take-aways etc.. This trade is obviously vital for the town, but many drivers are parking illegally (in bus stop, loading bays and on double yellow lines) rather than using the free car park which is simply lazy and very selfish! Negotiating the traffic during these times is terrible, whether travelling as a pedestrian, driver or passenger on a bus. If the residents can endure, and adhere to, the parking conditions on a daily basis, why can't everyone else when they are visiting? Something must be done...	Feb 28, 2014 8:31 PM
80	As we are out of town, we have to use the car to get to public transport	Feb 28, 2014 1:27 PM
81	The parking problem makes it difficult to carry shopping etc when you have to park so far away from your front door - in the case of High Street, sometimes it's a ten minute walk uphill after parking. Not an incentive to stay in the town. The town was not built to accommodate cars, but it would be great if it could adapt to the need. A really good public transport system would reduce dependency on cars and make it less important where they were parked.	Feb 27, 2014 9:09 PM

91	A site of natural beauty.	Mar 12, 2014 8:39 PM
92	Recreation such as rugby or football promote health and community ties Flooding has been a problem in the past, do we want to put unnecessary pressure on existing flood defence systems. Schools need outside areas encourage outdoor activity.	Mar 3, 2014 11:10 PM
93	The are areas that significantly increase the pleasure of living in the town as they are currently, so should be preserved.	Mar 3, 2014 5:36 PM
94	It was provided to be a park - not to build on & a car park has already been put in it.	Mar 1, 2014 2:07 AM
95	Because these areas provide space for people to freely interact, stay physically active and engage in activities that boost wellbeing and mental health.	Feb 28, 2014 9:19 PM
96	The town centre defines the character of the town and I would think it good if shop signage, etc could be created in an identifiable North Tawton brand. This might encourage more shops, and more tourist potential, and would improve the aesthetic of the town centre. The park is the main recreational area for young people and children and their families. It is not a big area in any case and should be maintained.	Feb 27, 2014 9:16 PM
97	TO STOP HOMES GETTING FLOODED !!	Feb 27, 2014 7:54 PM
98	Brownfield sites should be developed before greenfield. The natural direction of development for the town should be towards the main road at De Bathe Cross	Feb 24, 2014 9:27 PM

6	Any energy schemes should not be located on grade 1 or two agricultural land use poor land e.g. staddin more	Jun 12, 2014 2:09 PM
7	Wind turbines - solar installations render the fields they occupy into interlude areas and are even less efficient than turbines. practically all the available options for green energy seem to involve discarding agricultural land which is not very(?) as transport becomes more and more expensive; wind does at least come free, and leaving the ground usable underneath.	Jun 11, 2014 4:23 PM
8	wave power wind rather than solar panels at ground level; roof panels okay	Jun 10, 2014 1:58 PM

100	Small scale, individual households, use of brownfield sites and on agricultural buildings	Apr 21, 2014 6:56 PM
101	Renewable energy microgeneration is a very important part of the overall energy picture that is often overlooked,and there should be more encouragement for individual households to do this,with of course due regard to Conservation area appearance. The Hydro plant at the wool mill should be put back into service.	Apr 17, 2014 10:45 AM
102	In favour of small scale renewable energy projects which do not impact on the local community environment(eg new houses should maximise roof space for solar panels rather than large schemes on arable land) Larger projects might be sited on Winkleigh Airfield where old concrete runways are unsuitable for food production.	Apr 17, 2014 7:58 AM
103	I am not knowledgeable enough to know where different schemes could be located. All methods should be considered.	Apr 11, 2014 1:51 PM
104	A mixture of all	Mar 18, 2014 1:47 PM

107	sola to help fund electricity for parish owned properties ie the town hall which could be located in fields nearby	Mar 3, 2014 11:10 PM
108	Tentatively yes - but I loathe the politics behind environmentalism. I don't mind well hidden solar farms. Solar panels on roofs are preferable. The fields behind the Cheese Factory sound ok. I'd be happy for other developments justas long as they cannot be seen. Perhaps along Exeter Street above the town. Wind turbines are not the answer. They are eyesores. In seeking to be good for the environment in one way they ruin it in another.	Mar 3, 2014 5:36 PM
109	I am not in favour of any large scale schemes which are just for making money. I prefer small energy saving schemes for individuals.	Mar 1, 2014 2:07 AM

112	bio mass	Feb 28, 2014 6:20 PM
113	All renewable energy schemes are really worth considering as long as proper discussion and collaboration takes place. It should benefit the Parish directly and not be allowed to take place solely for the benefit of large multi-nationals that might profit from ruining our rural communy with unsightly	Feb 28, 2014 2:02 PM

46	It would be great to attrach other clubs/groups though the main venue in the town - The Town Hall makes it exceptionallyh hard to hire/afford salsa? zumba? dancercise?slimming world? It hear a lot of "you're not from here" - from the Hall Committee. Well! I am born and bred in North Tawton! I had my school palys in the hall, my 18th birthday party, myu wedding reception, I went to children's parties Cricket/football/rugby dinners ... One of which are allowed now (unless your Face Fits!!!), as we might scratch the floor!!! This is my one thing I cannot bear about North Tawton. It is all wrong. This is wrong!! whi is this happening? it has been said to a number of local people by a Committee Member "if no-one uses the hall it will be better for us as there won't be any running costs" !!! WRONG it could be used CONSTANTLY!! So we the town are to let the Hall fall empty? To become damp? in disrepair? to become derelict? or sell our local heritage for flats? I would urge that THIS schould be a priority for the future - not more blooming houses. SAVE OUR TOWN HALL.	May 16, 2014 1:43 PM

59	TOWN HALL I would like the Town Hall to be more FAIRLY available to the people/families/young people of the community. I feel very strongly that the Town Hall Committee is purposefully out-pricing/intimidating/ousting community groups and charitable organisation from the hall!! Prices have been put up, up up!!! Groups of receiving fines for crimes not committed. There are no hire/rental agreements. People cannot book the hall for themselves/their families/their groups unless it is agreed by a small number of the Town Hall Committee. There are a whole host of "not allowed" events!! community groups (many) have been forced to leave.	May 16, 2014 1:43 PM

57	Our local traders are an asset to us. I use our amazing post office as much as possible to support this integral part of the community - well done Nigel and Rosemary! The pharmacy is also a vital provider within the community, not just of products and services, but also of good access to those services for those limited in their travel abilities and also as a place where the community engage and interact - I would always choose to shop here rather than a large competitor. We MUST support our local traders and businesses as we need them to keep the community vibrant and prosperous.	Feb 28, 2014 9:20 PM

103	Sometimes I don't bother because I cannot park & I know a lot of people from the town do go to Bow Co-Op because they can park there without a problem. For a large grocery shop the prices are too high and they do not have the stock to be competitive in North Tawton unfortunately. If you have to go to a big supermarket to buy a few things it is more economical to buy everything you need whilst you are there as it is much cheaper. Having a garage that sold petrol at a competitive price would be attractive to a lot of people & might also bring passing vehicles into the town - as it used to in the past.	Mar 1, 2014 2:26 AM
