2-bay, 9 x A4 oak noticeboard (Ref: D9A4/O)

£1,871.71

These boards offer the unique blend of traditional appearance and intelligent design, combining over 25 years of manufacturing experience with the best of both traditional and modern materials. Solid oak frames are combined with back panels fabricated from **Tricoya®**, a man-made acetylated wood panel material with durability and stability far exceeding that of any form of plywood. [Click here for more information on Tricoya®.](#)

Standard specification includes:

- Solid oak frames and **Tricoya®** back panels
- Microporous wood stain finish
- 4mm toughened safety glass
- Integral weatherseal and ventilation
- Nickel-plated brass or stainless steel hinges
- Lockable (glazed bays)
- Sundeala pinboard

Incorporated into all glazed, oak boards are concealed vents top and bottom, designed to maximise airflow and thus minimise condensation, whilst hinges and locks are carefully chosen for longevity and ease of maintenance.

Offered with a huge range of options including toughened glass or polycarbonate glazing, a choice of 7 different display surfaces and a wide variety of finishes, headers and accessories, Greenbarnes oak noticeboards can be easily tailored to meet client's exact requirements and are designed to give a long, trouble-free life.

Options include:

- **Choices of finishes**
- **Alternative 4mm polycarbonate glazing material**
- **Choice of 7 alternative display materials**
- **Choice of header designs and lettering styles**
- **Available for wall, post or railing-mounting**
- **Dedication plate**

About Varicase Double Door Notice Board

The Varicase Double Door Post Mounted External Notice Board has a square-edge, powder-coated aluminium frame with two side hinged lockable doors, each glazed with a 3mm polycarbonate glazing. Two keys are supplied with this notice board. The case is 50mm deep overall with 20mm depth between the insert and glazing. The board surface is a 12mm premium pinboard backing with a felt covering available in a choice of colours, and is for use with push pins. This product is supplied with a set of square, satin black steel posts.

Material and Standards

The Varicase Double Door Post Mounted External Notice Board has an 6060T grade aluminium profile. The door is glazed with a 3mm polycarbonate. The exterior surfaces of this board are fire rated to BS476 Class 1.

Delivery

Delivery normally 15 working days. Please call if your order is urgent.

Post Mounting

The notice board is supplied with a set of square, satin black steel posts. Posts are side mounted, and are supplied with the relevant fixings and instructions for installing.

Guarantee

The Varicase Post Mounted Notice Board comes with a 1 year parts and labour guarantee.
