1. Introduction

This policy sets out the procedure to ensure there is compliance with legislation and continuity of procedures in the co-option of members to North Tawton Town Council (NTTC or the Council). The co-option procedure is entirely managed by NTTC and this policy will ensure that a fair and equitable process is carried out.

2. Co-option

The co-option of a Parish/Town Councillor occurs when a casual vacancy has arisen on the Council and no poll (by-election) has been called. A casual vacancy occurs when:

- A councillor fails to make his declaration of acceptance of office at the proper time;
- A councillor resigns;
- A councillor dies;
- A councillor becomes disqualified; or
- A councillor fails for six (6) months to attend meetings of a council committee or subcommittee or to attend as a representative of the Council a meeting of an outside body.

NTTC has to notify West Devon Borough Council (WDBC) of a Casual Vacancy and then advertise the vacancy and give electors the opportunity to request an election. This occurs when ten electors write to WDBC stating that an election is requested.

If a by-election is called, a polling station will be set up by WDBC and the people of the parish will be asked to go to the polls to vote for candidates who will have put themselves forward by way of a nomination paper. NTTC has to pay the costs of the election. The people of the parish have fourteen days (not including weekends, bank holidays and other notable days) to claim the by-election, the electoral officer will advise the clerk of the exact closing date.

If more than one candidate is then nominated a by-election takes place but if only one candidate is put forward they are duly elected without a ballot.

If ten residents do not request a ballot within fourteen days of the vacancy notice being posted, as advised by WDBC, NTTC is able to co-opt a volunteer.

3. Confirmation of Co-option

On receipt of written confirmation from the relevant department at WDBC that the casual vacancy can be filled by means of co-option, the Town Clerk will:

- Advertise the vacancy for four weeks on the Council notice boards and website
- Advise NTTC that the Co-option Policy has been instigated

NTTC is not obliged to fill any vacancy. Even if the Council invites applications for co-option, it is not obliged to select anyone from the candidates who apply.

However, it is not desirable that electors are left partially or full under-represented for a significant length of time. Additionally, it impacts on the effective and efficient working of the Council if there are too few councillors to share the workload equitably, to provide a broad cross-section of skills and interests; or to achieve meeting quorums without difficulty.

Councillors elected by co-option are full members of NTTC, exactly as if they had been elected.

4. Eligibility of Candidates

NTTC is able to consider any person to fill a vacancy provided that for the past 12 months they have:

- been an elector for the parish; or
- resided in the parish or rented/tenanted land or other premises in the parish; or
- had his/her principal place of work in the parish; or
- has lived within three miles (direct) of the parish.

There are certain disqualifications for election, of which the main are (*see 5. 80 of the Local Government Act 1972*):

- holding a paid office under the local authority.
- bankruptcy.
- having been sentenced to a term of imprisonment (whether suspended or not) of not less than three months, without the option of a fine during the five years preceding the election; and
- being disqualified under any enactment relating to corrupt or illegal practices.

Candidates found to be offering inducements of any kind will be disqualified.

5. Applications

Members are free to point out the vacancies and the process to any qualifying candidate(s).

Although there is no Statutory Requirement to do so, NTTC requires each candidate to:

- Submit information about themselves, by way of completing a short application form (Appendix A)
- Confirm their eligibility for the position of Councillor within the statutory rules (Appendix B).

Following receipt of applications, the next suitable council meeting will have the last agenda item prior to any Part II matters, 'To receive written applications for the office of town councillor and to consider the co-option of a suitable candidate to fill the existing vacancy'.

Copies of the candidates' applications will be circulated to all councillors by the Clerk at least 3 clear days prior to the meeting of the full council at which the co-option will be considered. All such documents will be treated by the Clerk and all councillors as strictly private and confidential.

Candidates will be advised of the date they are expected to attend a full council meeting at which they are to be considered for appointment. Notification will be by email and a reply will be required. Candidates will be invited to speak about their application at the meeting.

6. At the co-option meeting

At the co-option meeting, candidates will be given five minutes maximum to introduce themselves to Members, give information on their background and experience, and explain why they wish to become a Member of NTTC. The process will be carried out by adjourning the meeting to allow the candidate to speak.

As soon as all candidates have finished giving their submissions, the council will call for a vote to move the meeting to Confidential matters (Part II) to discuss individual applications, prior to proceeding to a paper vote on the acceptability of each candidate, taking into account the personal statements provided by candidates.

- In order for a candidate to be elected to NTTC, they must obtain an absolute majority of votes cast (50% + 1 of the votes available at the meeting).
- If there are more than two candidates and there is no candidate with an overall majority in the first round of voting the candidate with the least number of votes will drop out of the process.
- Further rounds of voting will then take place, with the process repeated until a candidate has an absolute majority.
- In the case where the remaining two candidates have an equal number of votes, the final decision will be made by the toss of a coin.
(Please note that this is the legal recommended process in this situation, as would be the drawing of straws for example, and is not uncommon in elections at all levels of government).

After the votes have been concluded, the Clerk will write to the successful candidate duly elected and invite them to attend an induction training session prior to the next full council meeting. The clerk will write to unsuccessful applicants to thank them for their interest.

The Council is not obliged to give feedback or a reason to unsuccessful candidates.

The Council do not have to appoint a candidate from current applicants and can readvertise the vacancy if they so choose.

The Clerk will notify WDBC of the new Councillor appointment. The successful candidate(s) must complete the 'registration of interests' form within 28 days of being elected. The form should be handed to the Clerk for forwarding to the Monitoring Officer.

If insufficient candidates come forward for co-option, the process of advertising the vacancies must be continued.

If you have any queries about the co-option process please contact the NTTC Town Clerk or Assistant Clerk, by phone (01837 880121) , email townclerk@northtawtontowncouncil.gov.uk, or via the contact form on our website – www.northtawtontowncouncil.gov.uk
